There (025/018/049) identified the target as female, although 018 indicated there was an inadvertent disclosure of the target's sex, of the Controls, neither one indicated the sex,

@ all of the newers indicated that the target was an authority figure.

@ Viewer 052 and Control C-2 indicated that violence or energy of some sort was associated with the target.

De Two inevers (079/049) indicated that the Target Person lived in an age and place different from the present,

(5) In viewers (018/049) indicated that Tought Person was "aged."

@ Four viewers (018/049/079/052) indicated that Target Person was more of an historical figure, One viewer (025) indicated that Target Person was probably a current TV/movie/newspaper sersonality,

My guess is that the Target Personality is a middle-ayed to early elderly female authority figure like the Queen of England or possibly from & are.
